# Academic WRITTEN AND GRAPHIC PRESENTATION

APRIL 2024 | CALL FOR APPLICATIONS

This course aims at providing post-graduate students and academics with the basics needed for presenting their academic work professionally.

#### **ZOOM SESSIONS**

16 APRIL 2024 / 16H00 23 APRIL 2024 / 16H00 30 APRIL 2024 / 16H00 07 MAY 2024 / 16H00 14 MAY 2024 / 16H00 21 MAY 2024 / 16H00

CENTRAL AFRICAN TIME

In this 6-week course, participants will learn how to use the APA citation style consistently across their documents and make smart use of Microsoft Word tools like the automatic Table of Contents and Styles. Additionally, they will become familiar with basic layout rules for the creation of great PowerPoint presentations and academic conference posters. The course is hands-on and will challenge the participants to put their new knowledge into practice immediately.

The course consists of self-directed learning on the Moodle platform and six synchronous Zoom sessions.

#### WHAT WE EXPECT

- participation in at least 4 out of 6 Zoom sessions
- completion of the activities and assignments on Moodle

# WHAT YOU GET

- new knowledge and skills that will be helpful throughout your academic career
- an official certificate of completion by DIGI-FACE

Ready to apply? Please apply via the online form here: <a href="https://www.digiface.org/application-forms/">https://www.digiface.org/application-forms/</a> Deadline for registration: April 11, 2024. # CourseCraft

Building a Dynamic Online Learning Experience with DIGI-FACE

**Register Now** 

This module aims to equip participants with the skills to build an improved online learning experience using instructional design and visual communication principles.

### **ZOOM SESSIONS**

25 APRIL 2024 – 10H00 02 MAY 2024 – 10H00 09 MAY 2024 – 10H00

CENTRAL AFRICAN TIME

This module is designed to equip participants with the skills necessary to construct an enhanced online learning environment through the strategic application of instructional design and visual communication principles. Participants will learn how to structure content effectively, engage learners, and optimise knowledge retention. Additionally, they will explore the power of visual communication, discovering techniques to create visually compelling materials that facilitate understanding and promote active learning. By the end of the module, participants will possess the knowledge and tools to craft engaging, informative, and impactful online learning experiences that resonate with learners and drive meaningful educational outcomes.

#### WHAT WE EXPECT

- participation in at least 2 out of 3 Zoom sessions
- completion of the activities and assignments on Moodle

# WHAT YOU GET

- Strategies for creating a highly engaging e-learning experience
- Participants will receive their own copy of the DIGI-FACE customisable course shell
- Successful participants may apply for a Canva premium license sponsored by DIGI-FACE
- Course completion certificate

Ready to apply? Please apply via the online form here: <a href="https://www.digiface.org/application-forms/">https://www.digiface.org/application-forms/</a> Deadline for registration: April 22, 2024. Questions? Contact <a href="mailto:karlien.potgieter@mandela.ac.za">karlien.potgieter@mandela.ac.za</a>
