## DIGI-FACE TRAINING COURSE: EMPOWERING CENTRE MOODLE MANAGERS

Empower your Centre's Moodle support team with self-paced training in course setup, enrolment, and platform guidance.

- Flexible self-paced access to Moodle content + 2 Live Zoom sessions
- Sessions: 25 June & 09 July 2025
- Estimated time: 1 hour per week over 4 weeks
- Click below to apply and boost your Centre's Moodle support capacity!

**APPLY NOW**

**STARTS  
25 JUNE**

### Who Should Attend?

This short, focused training is designed for anyone involved in teaching, supporting, or coordinating online learning at a DigiFace Centre, including:

- Centre Moodle Managers and Coordinators
- Teachers, Lecturers and Facilitators using Moodle
- Admin Support Staff
- Tutors and Teaching Assistants

**CERTIFICATE OF  
COMPLETION**

### What You'll Learn

- Create and manage Moodle courses
- Enrol students individually or in cohorts
- Assign roles and guide staff in using their course spaces effectively
- Provide localised support to colleagues at their Centres

### Why Join?

- Learn the essentials once, use them every day
- Make online course delivery faster and smoother
- Be a confident tech and teaching support partner
